

# Exerce la table de 8 avec

## Winnie the Pooh !

Qui reçoit quoi ?  
Trace une ligne.

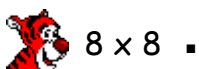

$9 \times 8 = \square$

$\square = 56$

$7 \times 8 = \square$

$\square = 64$

$8 \times 8 = \square$

$\square = 72$

Complète:

$\square \times 8 = 24$

$\square \times 8 = 32$

$\square \times 8 = 16$

$\square \times 8 = 40$

$\square \times 8 = 80$

$\square \times 8 = 48$

Cherche le nombre manquant. Écris 2 multiplications.

8	32	?
_____ x _____ = _____		
_____ x _____ = _____		

?	5	8
_____ x _____ = _____		
_____ x _____ = _____		

Effectue les multiplications:

$6 \times 8 = \underline{\quad}$

$1 \times 8 = \underline{\quad}$

$10 \times 8 = \underline{\quad}$

$5 \times 8 = \underline{\quad}$

$4 \times 8 = \underline{\quad}$

$3 \times 8 = \underline{\quad}$

$7 \times 8 = \underline{\quad}$

$9 \times 8 = \underline{\quad}$

$0 \times 8 = \underline{\quad}$

$8 \times 8 = \underline{\quad}$

$2 \times 8 = \underline{\quad}$
